<b>Código de Beca:</b>	433
<b>Nombre:</b>	National Scholarship Programme - Ministry of Education, Science, Research and Sport of the Slovak Republic
<b>Descripción:</b>	<p>In 2005, the National Scholarship Programme for the Supports of Mobility of University Students, PhD Students, University Teachers, Researchers and Artists was established by the approval of the Government of the Slovak Republic. The National Scholarship Programme of the Slovak Republic is funded by the Ministry of Education, Science, Research and Sport of the Slovak Republic.</p> <p>The National Scholarship Programme of the Slovak Republic supports study/research/teaching/artistic mobility of foreign students, PhD students, university teachers, researchers and artists at higher education institutions and research organisations in Slovakia. The scholarship shall cover scholarship holders' living costs (accommodation, board, etc.) during their study/research/teaching/artistic stay in Slovakia.</p> <p>The National Scholarship Programme of the Slovak Republic (NSP) supports also mobility of students and PhD students studying at Slovak higher education institutions (or in case of PhD students, students studying at external education institutions, e.g. the Slovak Academy of Sciences) with a permanent residence in Slovakia at higher education institutions and research organisations abroad. In the framework of the NSP, students, full-time PhD students, university teachers and researchers of the Slovak Academy of Sciences with a permanent residence in Slovakia are eligible to apply for a travel grant (a grant that should cover a part of their travel costs related to their study/research stay abroad).</p>

Application procedure

Scholarship applications are submitted on-line at [www.scholarships.sk](http://www.scholarships.sk). On-line application system is opened at least 6 weeks before the application deadline. The application can be filled in only after the opening of the on-line application

system.

Note: Please, try not to submit your application at the last moment. You must take into consideration that too many operations during the last minutes before the application deadline could have an influence on the reaction time of the on-line application system and you could miss the application deadline.

Scholarship applicants must fill in their on-line application (in Slovak, English, French, Spanish or Russian language), they must attach all the required documents in required formats into the on-line application system and they must submit their on-line application pushing the "Submit" button. Original hard copies of the documents marked by the asterisk (\*) must be submitted to SAIA in Bratislava. In case of submitting the documents in person, the documents will be accepted by SAIA in Bratislava until the application deadline. Original hard copies of the documents marked by the asterisk (\*) can be also send to SAIA in Bratislava by post/courier. In that case, the documents cannot be sent later than on the date of the application deadline (date stated at the postmark or at the posting document of courier service is taken into consideration) – the documents must reach SAIA in Bratislava within 5 working days since the application deadline; otherwise they will be not accepted.

Original hard copy of the Admission/Invitation Letter from a Slovak higher education institution or research organisation can be sent by scholarship applicant's host institution in Slovakia directly to SAIA in Bratislava (please, note that in this case, the scholarship applicant must have at least a scan of the document, so he/she is able to attach it into the on-line application; otherwise he/she will not be able to submit the application). For the submission of the document the same requirements apply as for other documents submitted as original hard copies.

The required documents are submitted to the following address:

SAIA, n. o. Sasinkova 10 812 20 Bratislava 1 Slovak Republic
